Spanish 003 Syllabus – Spring 2016

- Class grading scale, assessment categories and percentages can be found in the Spanish 2 & 3 policies document. It is your responsibility to read and understand the course policies that can be found on the SBLP website: <http://sip.la.psu.edu/blp/courses/syllabi-and-policies>.
- Each section of SPAN 003 will cover the same topics on the dates listed on this syllabus; individual activities may vary. The pages indicated correspond to the *Mosaicos* textbook. If you cannot attend a class, regardless of the reason for your absence, **you** will be responsible for contacting other classmates to obtain any missed information. If you need further clarification, schedule an appointment with me to answer any specific questions you may have.
- Online assignments should be completed on ANGEL or MySpanishLab, as indicated in this document. They are due on **Sundays at 11:59 p.m.**, unless indicated otherwise in this document. **Technical problems are not an excuse for not completing these assignments.** Plan accordingly. If you have any questions about the content of the assignments, please email me. If you do not receive a response from me within 48 hours (Mon - Fri) or 72 hours (weekends), email the Assistant Director, Adriana Linnebur, ail3@psu.edu. If you experience **technical difficulties** with MySpanishLab or ANGEL, please fill out the help form at <http://sip.la.psu.edu/blp/tech-support/helpform>.
- There will be three writing assignments (*escrituras*). They must be a minimum of 85 words long. Each *escritura* will have a first version and a final version. The first versions will be written in class on the dates indicated in this document. When writing in-class *escrituras*, you will not be allowed to use any electronic devices, but you can use your textbook, notes and a traditional (paper) dictionary. You may not copy sentences from your textbook or elsewhere. All versions of your *escrituras* must be produced by you. They may NOT be written, corrected, or edited by someone other than you. Doing so will be considered plagiarism and you will receive a 0 (zero) grade on the assignment (first and final versions) and it will be reported to the College of Liberal Arts. The final version is a rewrite of the first version, following my editorial comments. They are due at the beginning of class on the days specified in this document. They must be typed with Arial 12 font, double-spaced, 1" margins and printed out. If the final version is not typed, there will be a 0.5-point deduction in the assignment grade. See the policies for more information on *escrituras*. Each version of the *escrituras* will be returned to you corrected and graded one week after you turn it in. If you experience delays in receiving corrected *escrituras*, please contact the Assistant Director, Adriana Linnebur, ail3@psu.edu.
- There will be **four closed-book exams** in this course. **Exams 1, 2, and 3** will take place at the Testing Center (<http://www.testing.psu.edu>) on the dates specified below. The Testing Center will email you instructions regarding how to sign up for a time slot. These exams will include five sections: listening comprehension, grammar, vocabulary, reading comprehension, and a 75-word essay. You will have 90 minutes to complete these exams. **You must take your Penn State ID and your own earphones.** The Testing Center will provide you with a piece of bar-coded paper to use during the exam. You must SCAN and RETURN the entire sheet of paper before leaving the Testing Center. **Failure to do so will result in an "F" for your final course grade.**
